

Experienced Volunteers Needed:

Do you have a skill you can share that might match a need below?

Building Needs:

- House cleaning (windows, window seals, etc.)
- Repair flip doors on Marquee
- New roofs on outdoor bird enclosures
- Raccoon proof outdoor rehab cages

Grounds/Maintenance Needs:

- Adopt-a-trail clear trails (on and around)
- Check all split rail fencing
- Remove old trail signs
- Repair floating dock & boardwalks
- Mulch pad under picnic area
- Pruning Fruit Trees

Farm Needs:

- Assist with Spring Planting
- Fence Project – Take out old fence and replace with new 10” chain link fence on 2 acres
- Divide community garden plots and set boundaries
- Plant grass & wood chips between plots

- Create signs for plots (names/labels)
- Mow in Summer
- Plenty of weeding to do

Wildlife Needs:

- Trim vines & branches near cages
- Flight Corridor
 - Clear out everything inside
 - Clear brush & weeds from outside building
- Build some man made perches for outdoor bird enclosures
- Add dirt to floor of Turkey Vulture, Great Horned Owl, Barn Owl and Merlin cages
- Bobcat Cage Improvement
 - New platforms, climbing areas and roof
 - Add woodchips in front of cage
- Landscape viewing area outside Discovery Room
 - Add wood chips and plants
 - Improve the view
- Move piles of branches/debris away from wildlife trail area

Program/Naturalist Needs:

- Research wildflowers, tree species, birds, monarchs, frogs
- Citizen Science Project – stream monitoring
- Nature Artists

Land Stewardship Needs:

- Pull Garlic Mustard in the Spring/Summer
- Cut and treat non-native invasive shrubs
- Photograph before and after restoration work (set up photo points)
- Collect Native Plant Seed
